HP LaserJet P2030 Printer

Overview

The HP LaserJet P2030 Printer is a high-performance monochrome laser printer that offers fast print speeds, professional-quality output and flexible connectivity options at an affordable price. With this easy-to-use, value-packed printer, small business owners can produce a broad range of crisp business documents quickly using HP Instant-on Technology and a multipurpose tray that supports a variety of print media. The sleek and compact design of the HP LaserJet P2030 Printer series saves valuable desktop space, while its Quiet mode[1] helps ease the dynamic business environment.

Key features and benefits

- Increase productivity without compromising quality with fast print speeds up to 30 pages per minute

- Quickly connect the printer to most computers with the Hi-Speed USB 2.0 port

- Conveniently share the printer and efficiently utilize resources with built-in Ethernet/Fast Ethernet networking[2]

- Conserve energy and decrease wait time with HP Instant-on Technology, which uses 50 percent less energy than traditional fusing and prints faster from PowerSave mode[3]

- Print professional office documents with clear text and high-resolution images with FastRes 1200

- Easily manage multiple documents with the 50-sheet multipurpose tray, 250-sheet main input tray and a 150-sheet output bin

- Enjoy at-a-glance printer and supplies status and easily navigate printer functions with the simple LED control panel

- Save time with HP's powerful print management tools, including HP SureSupply[4] and HP Easy Printer Care Software[5]

- Perform intricate tasks quickly with 16 MB of memory and a 266 MHz processor

Supported supplies

- HP LaserJet Black Print Cartridge (CE505A)

- HP Brochure Paper 160 gsm, matte (150 sheets, 8.5 x 11-inch)

- HP Presentation Paper 120 gsm, soft gloss (200 sheets, 8.5 x 11-inch)

- General purpose papers with ColorLok Technology

The estimated U.S. street price is $199 for the HP LaserJet P2035 and $249 for the HP LaserJet P2035n.

The HP LaserJet P2030 Printer series is expected to be available in November 2008 for purchase in North America, Europe, Middle East and Africa, and in January 2009 for purchase in Asia Pacific.

[1] When Quiet mode is selected, the printer operates at half speed.

[2] Ethernet/Fast Ethernet networking only available on the HP LaserJet P2035n.

[3] Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so print jobs are done sooner. An InfoTrends study shows the typical office print job is three to five pages long:
http://www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. Time to completion of a typical office print job tested on HP and select competing products. Actual results may vary.

[4] HP SureSupply availability varies by region. More information is available at www.hp.com/learn/suresupply.

[5] In addition to supporting most HP LaserJets, HP Easy Printer Care Software now supports a wide variety of inkjet devices, including HP Officejet Pros, HP Officejets, HP Photosmarts and HP Deskjets. The compatible printer list is available at www.hp.com/go/epc.
