

HP Photosmart D7560 Printer

Overview

The HP Photosmart D7560 printer offers easy, intuitive and reliable printing. The 3.5-inch touchscreen streamlines printing tasks by making it easy to navigate through menus and intuitively review, edit, organize and share photos without using a PC. Using HP Vivera inks, consumers can produce lab-quality photos, laser-quality documents and vivid color graphics. This versatile printer series also enables users to print photos and text directly onto CDs and DVDs⁽¹⁾ and offers quick print speeds for easy and efficient everyday printing. Plus, with HP Auto Sense technology,⁽²⁾ HP Smart Web Printing⁽³⁾ and five individual ink cartridges, the HP Photosmart D7560 printer allows users to print effortlessly while reducing wasted ink and paper.

The HP Photosmart D7560 printer's long-lasting, dual-drop-volume print head comprises 55 percent recycled plastic material (RPET). HP derived the recycled material from Original HP ink cartridges collected through the HP Planet Partners return and recycling program and other sources such as plastic water bottles.

Key features and benefits

- Edit, save, print and share – all from an easy-to-use, intuitive 3.5-inch touchscreen
- Print lab-quality photos and laser-quality text and graphics at blazing speeds – up to 33 black pages per minute (ppm) and 31 color ppm, plus print 4 x 6-inch photos in as little as 18 seconds⁽⁴⁾
- Print impressive results for photos and documents using a versatile five-ink system.
- Replace each cartridge separately with individual inks
- Print lab-quality photos and documents with vivid graphics and laser-quality black text using HP Vivera inks. Enjoy beautiful photos that will endure, and can be shared for generations to come⁽⁵⁾
- Get three times more black pages and 2.5 times more color pages using high-capacity cartridges⁽⁶⁾
- Print photos from multiple memory cards easily with multiple built-in memory card slots
- Print directly onto printable CDs and DVDs, personalizing them with photos, text and graphics⁽¹⁾
- Easily combine portions of numerous web pages onto one page – HP Smart Web Printing automatically adjusts web pages to prevent cut-off edges while optimizing web printing⁽³⁾
- Use HP Photosmart Essential and HP Photosmart Express software to effortlessly share,

save, edit and print photos

- Print multiple-sized photos without swapping paper with an automated photo tray that automatically selects size and type of paper and easily switches between photo and document printing; avoid common photo printing mistakes that waste ink and paper using HP Auto Sense technology⁽²⁾
- Use convenient low-ink alerts to easily identify and shop for supplies, using HP SureSupply⁽⁷⁾
- Enjoy free, convenient recycling – cartridges returned through HP Planet Partners are recycled responsibly⁽⁸⁾
