

HP Scanjet N6310 Document Flatbed Scanner

Overview

The HP Scanjet N6310 Document Flatbed Scanner is a versatile device that can capture a variety of documents – including legal-size documents, business cards, photos and transparencies – at simplex speeds of up to 15 pages per minute (ppm). This easy-to-use scanner is ideal for small and medium businesses that need to digitize several types of office documents, including transparent media. Featuring a 50-page automatic document feeder (ADF) with an integrated adapter for 35-mm slides, and powerful and intuitive software, the HP Scanjet N6310 Document Flatbed Scanner effortlessly creates high-quality digitized files for archiving or sharing directly via email. To accommodate the dynamic office environment, the HP Scanjet N6310 Document Flatbed Scanner offers a daily duty cycle of 500 pages and a simple task-based interface with dedicated one-touch scan and copy buttons.

Key features and benefits

- Efficiently scan and archive a variety of office documents, such as financial forms, legal forms, business cards, photos and transparencies with the ADF and built-in transparent media adapter
- Quickly and easily perform rapid duplex scanning at fast speeds of up to 15 ppm or six images per minute (ipm), using the 50-page ADF
- Complete simple scan and copy tasks with one-touch buttons and a two-line LCD display
- Digitalize documents to high-quality files with 2,400 dpi, 48-bit color resolution
- Enhance and modify digital documents with HP scanning technology that automatically straightens, rotates and crops digitized files
- Save time with customized shortcuts for common tasks such as scanning to a variety of formats, including PDF, JPEG and TIFF
- Conveniently scan a document or photo directly to an email address, folder or application for easy archiving and sharing
- Work with an energy-efficient, ENERGY STAR® qualified machine
- Begin scanning immediately by integrating the HP Scanjet N6310 Document Flatbed Scanner into existing systems with ISIS, TWAIN and WIA drivers
- Leverage a document management and archival solution to scan, organize and share documents using included ScanSoft PaperPort and Presto! Page Manager

- Easily edit text from scanned files using the included IRIS Readiris Pro OCR software
